

PRESENTS:

Judi McCarter, MT, AA, BS

**Research, Experimentation and Exploitation of Human Cadavers
Bioethics Legal Focus Presentation**

Judi McCarter is a certified Medical Technologist, MT (AMT), CLT (HEW), with over twenty-five years extensive leadership experience in the areas of operations, regulatory compliance, finance, training, grant administration, and sales within the healthcare industry in small business, corporate, and nonprofit environments.

Ms. McCarter's presentation will focus on what is sure to be a very interesting topic. She will discuss the history and the various uses of cadavers, and the laws and ethical guidelines related to the use of cadavers and organ donation. Ms. McCarter will also discuss the controversial issues as they relate to the plastination of cadavers for the benefit of education and art.
