

PRESENTS:

ROBERT L. ERB, PH.D, MA, RN, CS, CLNC

“The LNC’s Role in Neuroleptic Malignant Syndrome Cases”

Robert Erb is a legal nurse consultant with over thirty nine years of diverse clinical and administrative healthcare knowledge. He will deliver a presentation focusing on the critical issues involved in cases where Neuroleptic Malignant Syndrome (NMS) was identified as a medical emergency. The presentation will address both defense and plaintiff views of these cases from a legal nurse consultant and testifying expert standpoint, interrogatory suggestions, and a case review.
